

## Locked out

Nearly six weeks or forty days  
isolated, away from home - never alone  
missing music and inspiration  
though beguiled by bird song  
in the garden. Sitting in the sun  
I listen to newly emerging sounds  
absent before in the daily bustle.  
Shamefully there is boredom and longing.

Shamefully there is boredom and longing  
absent before in the daily bustle.  
I listen to newly emerging sounds  
in the garden, sitting in the sun.  
Though beguiled by bird song  
missing music and inspiration,  
Isolated, away from home - never alone  
nearly six weeks or forty days.
